Construction Skills Training and  
Creative Craft Courses  
for 14-19 year old students

We deliver vocational training for schools and youth organisations in South East London.

Newstart Training specialises in the construction trades, including:

- Carpentry & Joinery
- Painting & Decorating
- Wallpapering
- Plastering
- Basic Plumbing

Courses offered are:

NOCN Step-Up Level 1 Certificate (Construction Pathway)

NCFE Creative Craft Level 1 Award

Level 2 Award

Level 2 Certificate

### **NOCN Step-Up (Construction)**

The NOCN Step Up programme provides opportunities for learners to develop skills in the construction trades, including carpentry, painting & decorating, wallpapering etc. It also includes employability training and personal development.

The course provides learning opportunities that enable the participants to realise their potential to progress further to further training and/or employment.

## **NCFE Creative Craft (Carpentry and Painting & Decorating)**

The NCFE programme helps learners to develop skills in carpentry and painting & decorating and provides them with underpinning knowledge of the trade.

The course includes the use of materials and resources, the safe use of tools and equipment and knowledge of the craft to enable them to progress to NVQs in their chosen skill area.

### **Skills Tasters**

We deliver taster programmes which enable learners to sample a number of skill areas to help them decide on a career pathway.

Tasters can be adapted to suit the requirements of the school or organisation.

- Courses are delivered on a daily or hourly basis.
- Students can attend for up to five days per week.
- After school programmes available.
