

Fully funded Autism Training Opportunities for Professionals in Lewisham and Southwark

Are you an educator, employer or professional working in Lewisham or Southwark?

Is your team eager to develop your understanding of autism and how to support autistic young adults in the community?

Are you interested in fully funded training sessions which can be tailored to suit the needs of your organisation?

Resources for Autism are dedicated to providing practical support for autistic people of all ages, needs, and those who love and care for them. Over the next five years we have been awarded funding to deliver training programs in Southwark and Lewisham, to capacity build professionals with an increased understanding of autism, neurodiversity and the skills and strategies needed to support autistic members of the community and deliver high quality services.

Training topics include:

- ✓ Understanding autism Level 1
- ✓ Autism and neurodiversity in the workplace
- ✓ Understanding and supporting behaviours
- ✓ Plus, more...

Our training can include **bespoke modules** tailored to the needs of your organisation.

All our training is **co-produced** with our community and delivered by our **specialist autism practitioners and experts by experience**.

We offer **flexible delivery options** in person or online consisting of half-day sessions, full-day workshops and lunch-and-learn sessions.
