

RESOURCES FOR AUTISM CO-PRODUCTION EVENT

Southwark

Resources for Autism is an autism charity working across London and West Midlands. Over the next five years we have secured funding to work with **16–25 year old autistic semi-independent and independent young people, in Southwark and Lewisham.**

We believe that autistic individuals and those with lived experience are the experts in creating positive autistic experiences.

- **We value your ideas, and want to recognise your strength, skills and assets.**
- **We want your lived experiences to develop the services we deliver.**
- **This is about sharing your power to make decisions to drive change.**

We are inviting autistic young people 16–25 and parents/carers of autistic young people 16–25 who are Southwark residents to our co-production event.

When: Thursday 28th March 2024 from 6–8pm

Address: Trinity College Centre, Newent Close, SE15 6EF
