Information

Apprentices are employees who earn a wage and gain job-specific skills and nationally recognised qualifications.

Apprenticeships are now available up to degree level and beyond:

Apprenticeship	Level	Equivalent Educational Level
Intermediate	2	5 GCSE passes at grades A* to C or 9 to 4
Advanced	3	2 A Level passes
Higher	4 and 5	Foundation degree or higher education certificate/diploma
Degree	6	Bachelor's Degree
Masters	7	Master's Degree

Highlights of the new vacancies in the Central London area, along with vacancies from other websites, are listed by sector on the following pages.

Opportunities are sorted according to the gov.uk Apprenticeships training categories.

To find details of the vacancies listed on the Apprenticeship Listings tabs, use the link built in to the Ref. No. of each vacancy.

Opportunities highlighted in yellow are suitable for Summer 2024 school or college leavers.

Occasionally, vacancies are removed before the stated closing date and a message saying "no apprenticeship matches the search" will be displayed - if that happens, please look for similar vacancies listed in this Bulletin or search for more on the Apprenticeship Service website.

Applying for apprenticeships is not like applying for university; there is no one place that lists every vacancy - it is important to look for vacancies from a variety of websites.

Degree apprenticeships will generally be advertised by the employer, rather than the university involved.

Unlike college courses, there are no set requirements for apprenticeships - like any other job, it is the employer who will decide what qualifications and skills are needed.

Employers are often at least as interested in 'soft skills' such as communication, teamwork and reliability as formal qualifications.

General Apprenticeship information

Pre-Employment Courses

"Pre-employment courses are intended to be a stepping stone to an apprenticeship, or other job, for those young people who currently lack the necessary skills; they often provide employability or 'soft skills', work experience, and help with maths and English - they are usually unpaid, but some offer expenses".

Employability and Personal Development Courses

Employability and personal development courses are aimed at young people who may need to enhance their skills and further explore their area of interest prior to applying for work or an apprenticeship - courses linked to a specific type of job are listed on the relevant tab.

Listed below are courses in the Central London area that aim to develop the sort of general skills needed for all jobs - please note that all courses are not always available at the current time, but are regularly scheduled.
