

SIXTH FORM AND COLLEGE OPEN EVENT AND ADMISSIONS DIRECTORY - September 2024

All text in red has a link built into it – please click on the link to access the information

This Directory gives details of **Open Event and Admissions information for September 2025 entry** of all non-independent school Sixth Forms and Further Education colleges, including Special Educational Needs provision (coloured lilac) (and selected other institutions that the commissioning Boroughs have requested to be included) in the eight Boroughs listed below, as **highlighted on school websites**.

Camden	Hackney	Islington	Kensington & Chelsea	Lambeth	Southwark	Wandsworth	Westminster
---------------	----------------	------------------	---------------------------------	----------------	------------------	-------------------	--------------------

It also gives school contact details for the remaining London boroughs

Barnet	Brent	Bromley	City of London	Croydon	Hammersmith & Fulham	Haringey
Kingston	Lewisham	Merton	Newham	Richmond	Tower Hamlets	Waltham Forest

Barking and Dagenham	Bexley	Ealing	Enfield	Greenwich	Harrow	Havering
Hillingdon	Hounslow	Redbridge	Sutton			

The list of Sixth Forms/colleges for each Borough is taken from the gov.uk '**Compare Schools and College Performance**' tables and was last updated in this document in May 2024.

OFSTED (last update in this document - September 2024 – coloured entries in this column) - the grade and date of the last OFSTED inspection carried out on the institution, where

1 - 'Outstanding'	2 - 'Good'	3 - 'Requires Improvement'	4 - 'Inadequate'	NYI - 'Not Yet Inspected'
--------------------------	-------------------	-----------------------------------	-------------------------	----------------------------------

APS (last update in this Directory - May 2024) - the average point score for each A-level entry at the school/college in 2023, where each entry was scored as follows, and then the total divided by the number of entries

A* - 60	A - 50	B - 40	C - 30	D - 20	E - 10	Below E - 0
----------------	---------------	---------------	---------------	---------------	---------------	--------------------

Where 'NA' is recorded, this means that there were fewer than five A-level entries at that school/college/campus in 2023, either due to not offering A-level courses or very few entries.

Where the score is given in a **blue box**, this means that the score is that of either the college as a whole or their parent organisation, across all of their sites with A-level entries, and not the individual school/college/campus.

Where the individual site is part of a multi-site school/college, any dates, times or links to information or registration webpages relate to Open Events taking place at that site
Any link to admissions webpages will take you through to general admission/application information for the school/college or, where applications are made for a course rather than to the college, a list of courses at that college suitable for 16-18 year olds

All information is correct at the time of publication

This Directory was compiled by Dave Coram - please notify him at dave@davecoram.co.uk if you know any of the information to be incorrect
