## Information

Apprentices are employees who earn a wage and gain job-specific skills and nationally recognised qualifications.

Apprenticeship	Level	Equivalent Educational Level
Intermediate	2	5 GCSE passes at grades A* to C or 9 to 4
Advanced	3	2 A Level passes
Higher	4 and 5	Foundation degree or higher education certificate/diploma
Degree	6	Bachelor's Degree
Masters	7	Master's Degree

Highlights from the gov.uk **Find an Apprenticeship website**, along with vacancies from other websites, **sorted according to the gov.uk Apprenticeships training categories**. are listed on the following pages – further information on each apprenticeship can be found by clicking on the ‘Ref.’ field for that apprenticeship.

The following criteria are used for inclusion:

- Within any of the 33 London Boroughs, no more than a fifteen mile radius from London Victoria station.
- Paying at least the minimum hourly rate indicated in the category header (**National Minimum Wage if not indicated**) - this reflects general availability of apprenticeships and prevailing category hourly rates  
**The first rate is the minimum for the eight boroughs listed on Page One and City of London, (the second) is for other London boroughs – e.g. £8.00ph (£9.60ph)**
- No ‘essential to applying’ qualifications of an equivalent educational level to that of the Apprenticeship Standard (eg. Level 2 apprenticeship requiring GCSE passes)  
***This criterion is not used in categories marked \* - so few opportunities in these categories are advertised that they should all be considered for inclusion***
- Suitability for the target audience for the Bulletin – opportunities aimed at entrants to the ‘world of work’ or long-term professional opportunities only

**Using these criteria means there are likely to be other opportunities available on the Find an Apprenticeship website, should individuals be happy to consider them.**

**Please note that the advertised wage and hourly rate are the minimum for each opportunity – these may increase, depending on the apprentice’s age**

Occasionally, vacancies are removed after the Bulletin is circulated and before the stated closing date; a message saying "this apprenticeship is no longer available" will be displayed - if that happens, please look for similar vacancies listed in this Bulletin or search for more on the Apprenticeship Service website.

Applying for apprenticeships is not like applying for university; there is no one place that lists every vacancy - it is important to look for vacancies from a variety of websites. Degree apprenticeships will generally be advertised by the employer, rather than the university involved.

Unlike college courses, there are no set requirements for apprenticeships - like any other job, it is the employer who will decide what qualifications and skills are needed. Employers are often at least as interested in ‘soft skills’ such as communication, teamwork and reliability as formal qualifications.

### General Apprenticeship information
