- Employment support services
- Local children's and adults' services
- Employers offering opportunities for young people

### How the event works

Young people will attend with their school or college, who will support them during their visit.

Each school or college will have a one-hour time slot.

Parents and carers are welcome to attend during their young person's allocated slot, or drop-in between 9.30am and 3pm. Due to limited venue time, we are unable to offer a parents/carers-only session.
