# Get into your **SUMMER SHORTS** with Morley College London

The Morley College London Summer Shorts programme is a great way to get inspired and try something new, especially if you're short on time. Our Summer Shorts come in all different sizes and looks, meaning we have courses on offer to meet everyone's taste. The majority of our courses are either one-day workshops or only run for two or three days, and are all specifically designed to give you a chance to experience something you may have always wanted to try, but could never find the time or place to do so.

So why not give it a go and explore your interests and passions in a friendly and engaging environment. You never know, you might want to make your short experience take you further.

Should you enjoy the experience – and we're sure that you will! – then you can sign up to our termly short and part-time courses starting in September.

## DID YOU KNOW?

Since 2015 Morley has run the **Zsuzsi Roboz Trust Art Scholarship** programme, offering scholarships to emerging artists who want to refine their artistic skills and take their career to the next level. Run in partnership with the Alfred Teddy Smith and Zsuzsi Roboz Art Trust, the scholarship provides one or two artists with funding for a year's part-time study at Morley, with a programme that's tailored to their needs. Scholars have full access to Morley's purpose-built art studios and facilities, and receive personal tuition and mentoring from professional artists. Best of all, scholars finish their studies with a public exhibition of their work in Morley's gallery facilities!

Applications open through May and June every year, and the deadline for application to the 2019/20 intake is **midnight on Friday 28 June 2019**. To find out more or to apply, visit **[www.morleycollege.ac.uk/zsuzsi-robоз-art-scholarship](http://www.morleycollege.ac.uk/zsuzsi-robоз-art-scholarship)** - maybe we'll see you in September!
