

Summertime Storytelling

Dulwich Library, Lordship Lane, SE22 8NB

We would like to reach more children with an additional need to ensure that as many as possible participate in the Summer Reading Challenge. Children will enjoy these storytelling sessions specifically developed for children with additional needs. Staff use multisensory props to tell stories and interact with the children. At the end of each session all children receive Space Chase gifts to take home. This event is for all the family.

**Tuesday 30 July &
Tuesday 13 August
2019**

Both at 2pm to 3pm

This event is FREE—no need to book
