

DO YOU NEED HELP CARING FOR A YOUNG PERSON?

- Are you a parent or carer of someone aged 11 – 24?
- Is the young person at risk of youth violence, grooming or exploitation?
- Do you need support navigating the education, criminal justice or social care system?

The Nest is offering free training to help you to deal with the above areas. We want to provide the most relevant services, so we'd love to know what issues you face and what training would be most useful to you.

Join our group of parents and carers and get the support and skills you need to help the young person in your life.

To register your interest or to find out more, please give me a call, send me an email, or drop in at The Nest and chat to me in person.
