Coronavirus, COVID-19

For those looking for work or training (as well as everyone else) it is important to follow government advice at <https://www.gov.uk/coronavirus>. Official guidance for employees, employers and businesses can be found at <https://tinyurl.com/s5temgs>, from acas at <https://tinyurl.com/tsprvt5> and from the NHS at <https://tinyurl.com/vccz7ux>. Government guidance for current apprentices and other changes can be found at <https://tinyurl.com/y9a87czx>.

Opportunities in this bulletin were all listed as live at the time of publication. However, with the disruption caused by the current restrictions some recruitment will inevitably be cancelled or moved to a later date. Many employers have moved to online recruitment and many major companies have stated that interviews will now be via video. There are some tips on Skype interviews from TARGETjobs.co.uk at <https://tinyurl.com/y8qr96bo>.

The Kickstart Scheme was announced by the Chancellor in the Summer and will offer job opportunities to 16-24 year olds, who are claiming Universal Credit and are at risk of long term unemployment. Those on Kickstart will receive the National Minimum Wage (or the National Living Wage depending on the age) for 25 hours per week for a total of 6 months. Young people interested in the Kickstart Scheme should talk to their Jobcentre Plus work coach and more information is available at <https://kickstart.campaign.gov.uk>.

The government has also launched the *Pick for Britain* campaign to entice the UK public to work on farms as the impact of Covid-19 leaves a diminished agricultural workforce. Guidance for potential workers can be found at <https://tinyurl.com/ybtm8pmb> and at <https://pickforbritain.org.uk> there is information on what to expect along with links to job vacancies.

Prince's Trust Coronavirus Support Hub (<https://tinyurl.com/w42e9g6s>) has advice and guidance for young people on how to develop confidence and explore you're the next steps for finding a job or becoming self-employed.

The National Careers Service (<https://nationalcareers.service.gov.uk>) career tools to help you with choices on careers, training and work remain live, as does the advice line (0800 100 900) and webchat. Information for those applying for university can be found on the UCAS website (www.ucas.com/coronavirus).

Apprenticeship, Traineeship & Pre-Employment Vacancies

Apprentices are employees who earn a wage and gain job-specific skills and nationally recognised qualifications. Apprenticeships are now available up to degree level and beyond:

Name	Level	Equivalent educational level
Intermediate	2	5 GCSE passes at grades A*/9 to C/4
Advanced	3	2 A level passes
Higher	4 & 5	Foundation degree or higher education certificate/diploma
Degree	6	Bachelor's degree
Master's Degree	7	Master's degree

Highlights of the new vacancies in the Central London area, along with vacancies from other websites, are listed by sector below. For more information about apprenticeships go to www.apprenticeships.gov.uk.

Applying for Apprenticeships

To find details of the vacancies listed in the boxes below go to <https://goo.gl/eJztHc> and input the Ref. number listed in the Keyword box.

Vacancies marked ^{AA} are Advanced Apprenticeships leading to Level 3 qualifications, those marked ^{HA} are Higher Apprenticeships leading to Level 4+ qualifications, those marked ^{DA} are Degree Apprenticeships leading to Level 6 and those marked ^{MD} are Master's Degree Apprenticeships leading to Level 7 qualifications. All others are Intermediate Apprenticeships leading to Level 2 qualifications.

Applying for apprenticeships is not like applying for university. There is no one UCAS like place that lists every vacancy, so it is important to look and apply for vacancies from a variety of websites. Degree apprenticeships will generally be advertised by the employer, rather than the university involved. Unlike college courses there are no set requirements for apprenticeships. Like any other job it is the individual employer who will decide what qualifications and skills are needed. Employers are often at least as interested in 'soft skills' such as communication, teamwork and reliability as formal qualifications.

More information about apprenticeships can be found at www.apprenticeships.gov.uk. The complete guide to higher and degree apprenticeships (<https://goo.gl/Yvsrcc>) has more details of subjects, universities and employers involved.

Traineeships & Pre-Employment Courses

Traineeships and pre-employment courses are intended to be a stepping stone to an apprenticeship, or other job, for those young people who currently lack the necessary skills. They often provide employability or 'soft skills', work experience, and help with maths and English. They are usually unpaid, but some offer expenses.
