## Apprenticeship, Traineeship & Pre-Employment Vacancies

Apprentices are employees who earn a wage and gain job-specific skills and nationally recognised qualifications. Apprenticeships are now available up to degree level and beyond:

Name	Level	Equivalent educational level
Intermediate	2	5 GCSE passes at grades A*/9 to C/4
Advanced	3	2 A level passes
Higher	4 & 5	Foundation degree or higher education certificate/diploma
Degree	6	Bachelor's degree
Master's Degree	7	Master's degree

There are well over a thousand vacancies in London, with hundreds of new ones in the last week. Highlights of the new vacancies in the Central London area, along with vacancies from other websites, are listed by sector below.

### Applying for Apprenticeships

To find details of the vacancies listed in the boxes below go to <https://goo.gl/eJztHc> and input the Ref. number listed in the Keyword box.

Vacancies marked <sup>AA</sup> are Advanced Apprenticeships leading to Level 3 qualifications, all others are Intermediate Apprenticeships leading to Level 2 qualifications. Higher and Degree Apprenticeships normally ask for A Levels or other Level 3 qualifications and are not covered in this bulletin.

Unlike college courses there are no set requirements for apprenticeships. Like any other job it is the individual employer who will decide what qualifications and skills are needed. Employers are often at least as interested in 'soft skills' such as communication, teamwork and reliability as formal qualifications.

More information about apprenticeships can be found at [www.apprenticeships.gov.uk](http://www.apprenticeships.gov.uk).

### Traineeships & Pre-Employment Courses

Traineeships and pre-employment courses are intended to be a stepping stone to an apprenticeship, or other job, for those young people who currently lack the necessary skills. They often provide employability or 'soft skills', work experience, and help with maths and English. They are usually unpaid, but some offer expenses.
