## Apprenticeship, Traineeship & Pre-Employment Vacancies

Apprentices are employees who earn a wage and gain job-specific skills and nationally recognised qualifications. Apprenticeships are now available up to degree level and beyond:

| Name            | Level | Equivalent educational level                              |
|-----------------|-------|---|
| Intermediate    | 2     | 5 GCSE passes at grades A*/9 to C/4                       |
| Advanced        | 3     | 2 A level passes  |
| Higher          | 4 & 5 | Foundation degree or higher education certificate/diploma |
| Degree          | 6     | Bachelor's degree   |
| Master's Degree | 7     | Master's degree   |

Highlights of the new vacancies in the Central London area, along with vacancies from other websites, are listed by sector below.

### Applying for Apprenticeships

To find details of the vacancies listed in the boxes below go to <https://goo.gl/eJztHc> and input the Ref. number listed in the Keyword box. Occasionally vacancies are removed before the stated closing date and a message saying no apprenticeship match the search will be displayed. If that happens look for similar vacancies listed in this bulletin or search for more at <https://goo.gl/eJztHc> (click on How to search for an apprenticeship for help).

Vacancies marked <sup>AA</sup> are Advanced Apprenticeships leading to Level 3 qualifications, those marked <sup>HA</sup> are Higher Apprenticeships leading to Level 4+ qualifications, those marked <sup>DA</sup> are Degree Apprenticeships leading to Level 6 or Master's Degree Apprenticeships leading to Level 7 qualifications. All others are Intermediate Apprenticeships leading to Level 2 qualifications.

Applying for apprenticeships is not like applying for university. There is no one UCAS like place that lists every vacancy, so it is important to look and apply for vacancies from a variety of websites. Degree apprenticeships will generally be advertised by the employer, rather than the university involved. Unlike college courses there are no set requirements for apprenticeships. Like any other job it is the individual employer who will decide what qualifications and skills are needed. Employers are often at least as interested in 'soft skills' such as communication, teamwork and reliability as formal qualifications.

More information about apprenticeships can be found at [www.apprenticeships.gov.uk](http://www.apprenticeships.gov.uk).

### Traineeships & Pre-Employment Courses

Traineeships and pre-employment courses are intended to be a stepping stone to an apprenticeship, or other job, for those young people who currently lack the necessary skills. They often provide employability or 'soft skills', work experience, and help with maths and English. They are usually unpaid, but some offer expenses.
