

INCLUSION & MONITORING

The Inclusion & Monitoring Team is available to help problem solve / answer queries / signpost around supporting individual pupils and have particular experience in (e.g. ASD, SEMH, Emotional literacy, Dyslexia, EAL, MLD, communication)

We will be operating a remote training and support service during this current time of nursery, school and FE closures. Our specialist team are able to provide consultations, support and training delivered in a range of flexible ways on statutory procedures for SENCOs / Inclusion managers via digital communication. This may be a scheduled telephone appointment, facetime appointment or video conferencing (if possible). A good opportunity to get support and skill up on LA procedures.

Day	Morning 10am-1pm
Monday	Cheryl Parry - SEN support level/Implementing EHC plans
Tuesday	Ann Keily - Requesting EHC plans
Wednesday	Felicienne Mallia - Provision mapping and RR's
Thursday	Bela Handa - Annual reviews / realignment reviews
Friday	Fola Awofadeju / Tricia Charles - Evidence based interventions

Please contact the relevant inclusion team member to register your interest and discuss your individual training requirement.
